Dear Natalie,
I have been informed that you are district manager of Starbucks in the Sacramento district.

Be advised: I just corresponded to Sacramento Police Department as follows:
"See <https://youtu.be/eNwdutbDwD0>

"See <https://youtu.be/eNwdutbDwDQ> for record (as testimony) of another joindered incident of same Conspiracy to Commit... informed of multiple times. (Refer to your record.) Location was Starbucks at North Natomas Place. Timing, at approx. 1:00 PM on 08282020, was conspicuous to betray Malicious, Hyper-reactionary Retaliation to recent Criminal Complaint Correspondence and Casework via wifi at location in conjunction with illegal, electronic espionage beyond any legal Terms of Agreement or legally Valid Warrant and it's Harassments with Colluders. Proof also betrays the collusion of this Police Department, and also with the Ciccone family, also Deniros, prima-facie! You must change your disposition NOW! I need access to wifi resources for the Casework imperative to matters in my life. Accomodation of service is a Presumptive, Fundamental Right not to be denied by this Malicious, personal, differential Overzeal! In malice intent, act of management does cause damages by Disruption of Time-Waste and Delay to my Causes and it's Obstructions to Due Process! I will not tolerate what is incompetently termed a "Trespass Notice" either. Such is illegal in lieu of above, and will be an illegal tactic to entrap with a frivolous, malicious false-arrest with ulterior motive! Do not issue! Also, they are always unconstitutional under color of state law (which is egregiously idiosyncratic and out of union with the state and capricious). I will not either tolerate what is incompetently termed a

state and capricious). I will not either tolerate what is incompetently termed a "Trespass Notice." Such will be illegal in lieu of above, and since always Unconstitutional Under Color of State Law (which is constantly idiosyncratically out of Union with the State and capricious on a continual basis) when there was not "Disruption to Flow of business." There was no provocation on my part! Do not issue! Warning! You also are culprits subject of this complaint! This is in conjunction with Larger, Organized Crime Conspiracy targeting my person. Such act as issuance will be joindered! If manager reported a complaint against myself, it is Maliciously False. Therefore, I expect her arrest upon False-Report! Furthermore, I DEMAND their Prosecution upon the Crimes of Organized-Crime Conspiracy Communicated! I have informed of these multiple times... including during illegal, frivolous, malicious investigatory stops Harassing in same! THERE IS PROBABLE CAUSE BEYOND EXCESSIVE... YOU ARE ACCOUNTABLE... STOP CRIMINALLY OBSTRUCTING JUSTICE WITH CRIMINAL PARTIALITY AS COMPLICIT AND COLLUDING! I DEMAND THEIR ARREST! I am continuing to forward and report to Federal Agencies and retaining records. Jacob CTF." "I, hereby, forward same criminal complaint to F.B.I."

I also, hereby, address same complaint to you for relevant disciplinary action as a grave customer-complaint. Recently, I have reported incidents if Criminal Stalking by enemies, malicious-intrusion beyond legal terms of agreement for wifi, and Menacing by

grave customer-complaint. Recently, I have reported incidents of Criminal Stalking by enemies, malicious-intrusion beyond legal terms of agreement for wifi, and Menacing by Peggy's husband. I reported to law enforcement (as representing) and to Corporate via a Discovery Request link on Starbucks.com. There has only been prejudicial inaction toward my vital interests.

For your information, also see: <https://youtu.be/3ngLVBPw4rQ> and <https://youtu.be/3RrFBPurs3s>. I did have these privatized. I promised corporate that I would communicate them as privatized once discovering relevant function since recent idiosyncratic functionality on internet. I have not yet found documentation for such new function. It is, however, too imperative to communicate this AV record. I plan to privatize once ensured of receipt and acknowledgement.

Please respond for remedy of matter. I expect to be recognized to exist as this particular human being with Human Rights!

Jacob
